2026 FALL / WINTER

FAMILY OWNED, FAMILY OPERATED

AS THE CRISP FALL AIR SETTLES IN, WE'RE DELIGHTED TO INTRODUCE OUR FALL 2026 COLLECTION - A celebration of our small-town roots, family values, and the natural beauty that inspires Old Ranch Brands.

INSPIRED BY THE SIERRA NEVADA RANGE

Nestled in the Sierra Nevada foothills, our family-owned brand draws endless inspiration from these rugged mountains, alpine meadows, and clear rushing streams. The Sierra Nevada range is more than just a backdrop—it's part of our daily life and a reminder of the timeless connection between land, family, and community. Just as these mountains stand strong through every season, our collection is designed to embody durability, authenticity, and warmth.

BUILT ON FAMILY VALUES

At Old Ranch Brands, our clothing is more than just fabric—it's a reflection of our family's heritage and the authentic spirit of small-town life. From Nevada mining towns to California farming communities, the Sierra Nevada region has always been rooted in resilience and genuine connection. Our team, including our loyal office dogs who never miss a game of fetch, pours heart and care into every garment, ensuring that each piece reflects our high standards and enduring values.

DISCOVER TIMELESS STYLE ROOTED IN TRADITION

We believe in clothing that stands the test of time, which is why our Fall 2026 collection is designed with classic appeal and enduring quality. Whether you're savoring a mountain sunrise, enjoying a quiet porch evening, or exploring the outdoors, our pieces are made to move with you—season after season.

A BRAND TO BE PROUD OF

We take immense pride in being a family-owned business grounded in the Sierra Nevada foothills. From our design process to our close-knit team, every aspect of Old Ranch Brands is built on trust, community, and a deep love of place. We're not just making clothes—we're creating a legacy of craftsmanship and care, celebrating the heart and soul of mountain and small-town life.

THANK YOU FOR BEING PART OF OUR JOURNEY. HERE'S TO A SEASON FILLED WITH MEANINGFUL CONNECTIONS, TIMELESS STYLE, AND THE SPIRIT OF THE SIERRA NEVADA.

Sustainable Choices, Genuine Impact

At Old Ranch Brands, our commitment to sustainability is as deep-rooted as our small-town values. We understand that true quality comes from making thoughtful choices, not just for ourselves but for our community and the world. That's why we've embraced sustainable fibers in our collections, choosing fabrics and materials that are kind to both you and the environment. Our dedication to these eco-friendly options ensures that every piece not only looks great but also stands the test of time.

Fair Trade for a Fair Future

We believe in supporting fair and ethical practices, because caring for our community extends beyond our doorstep. That's why we work with partners who share our values, ensuring that the people behind our products are treated with respect and fairness. Our commitment to fair trade means that every garment you wear helps support better wages and working conditions, creating a positive impact on lives and communities.

From our family to yours, we're proud to offer clothing that reflects our values and makes a difference. With every piece, you're not just choosing style—you're choosing to support a brand that stands for integrity, sustainability, and genuine connection.

Recycled Polyester

Recycled polyester is made from post-consumer materials like plastic bottles, reducing waste and the need for new resources. The process involves breaking down plastics and spinning them into durable fibers, using less energy and water than virgin polyester. Recycled polyester is durable, lightweight, wrinkle-resistant, and easy to maintain.

Fiber Benefits

- lightweight & durable
- moisture-wicking
- quick-drying & wrinkle-resistant

Organic Cotton

Organic cotton is a superhero fiber—it is grown using methods that protect the environment, like crop rotation and natural pest control, without synthetic pesticides or fertilizers. This process promotes healthier soils, conserves water, and supports biodiversity. Choosing organic supports farming practices that work in harmony with nature for a cleaner, greener future.

Fiber Benefits

- gentle on sensitive skin
- strong & durable fibers
- soft & breathable

Keep an eye out for the Fair Trade Certified™ seal throughout this season's book to easily identify ethically produced styles.
